

JUMP IN TO A NEW ADVENTURE WITH YOUR DISCOVER SCUBA EXPERIENCE

Dear Diver,

Thank you for booking your Discover Scuba experience with us.

The course is ideal for experiencing the joys of scuba diving in the safety and warmth of a swimming pool. It's designed for people who either want to try a new adventure or if they're not sure if they want to commit to the PADI [PADI Open Water certification course](#).

The experience will teach you some of the basic principles of scuba, the most important safety rules and how the equipment works. You will get to feel what it's like to breathe underwater and be weightless, just like an astronaut. After spending some time in shallow water and getting comfortable and familiar with the equipment, and the strange sensation, we will drop the pool to a max depth of
