

Dear Diver,

PADI OPEN WATER COURSE

Many thanks for signing up for your PADI Open Water course with us.

You are now one step closer to join an exclusive group of people who can explore the underwater world. Once qualified you will be able to dive anywhere around the world to 18m.

There are three parts to completing your course:

1. Theory

You should receive your 'PADI Open Water Digital e-learning', by e-mail directly from PADI within 48 hours of signing up to your course (please check your Junk Mail if you haven't received it before contacting us). Once received you can register it using your e-mail address.

This eLearning is browser-based and uses Flash player, which is not compatible with quite a few browsers on mobile devices. However, if you wish to study on your mobile device, you can download the Puffin Web Browser app (a link for this below) – this will allow you to access the materials and view the pages which use Flash player.

Please note you will still need to be connected to the internet to do this. There is no option to download the materials and access them offline!

<https://www.puffinbrowser.com/mobile/>

Below is also a direct link to the eLearning login page. Once you have created your account, following the instructions in the registration email, then go to this site and enter your details to access the materials.

<http://elearning.padi.com/10.cfm>

Could you ensure that the knowledge reviews at the end of each of the 5 sections of the theory are completed in time for the pool. Please be aware that

**'Oyster Diving' is the trading name of:
Oyster Luxury Travel and Diving Ltd**

Registered office: 1-2 Harbour House, Harbour Way, Shoreham-by-Sea, W. Sussex BN43 5HZ
T: 0800 699 0243 F: 01273 384971 E: info@oysterdiving.com www.oysterdiving.com
Registered in England number: 5747422. VAT Number 113 6200 68

the theory normally takes around 8-10 hours to complete but it can be split up in to several sessions – don't leave it until the last minute!

Please bring a copy your knowledge development summary to the pool and hand it to your instructor (this has all of your scores on it). If you do not have a printer then [e-mail](#) it to us in advance and we can print it out on your behalf. If you have any technical difficulties then PADI customer services will be glad to assist, you can call them on 0117 300 7234.

***** IMPORTANT *****

Please download and complete the [PADI Liability forms](#) and [PADI Medical Forms](#) and bring them with you on the day. Please note that [if you answer 'yes' to any of the questions on the medical statement](#) then we would need a note from your doctor saying that you are okay to dive. If you answer 'yes' and do not have a note from your GP then your instructor is not allowed to let you dive. No note is required if you answer 'no'.

2. Open Water Dives

If you have booked you're the full course with us then you will receive a second booking confirmation by e-mail that will have separate details for the open water dives.

For Referral Students (theory & pool and complete the training dives abroad)

These can be done at any PADI dive centre around the world and must be completed within 12 months of your pool session. We recommend that you do these within 2-3 months though to keep your new dive skills fresh in your memory.

If you would like to complete your course in the UK with us then just give us a call on 0800 699 0243 or e-mail info@oysterdiving.com. Alternatively, our [Travel Centre](#) would be glad to provide you with a quote for a holiday or short break.

If you haven't done so already then we do recommend purchasing your own mask, snorkel, boots and fins. These are available through our [dive shop](#) and can be bought along to your first pool session.

We receive many questions about "should I own my own equipment" so to make it easy we have written a [short blog to help you](#).

If you are interested in hearing about any trips we are running, special offers or would like to keep in touch then please like our [Facebook page](#).

If you would like to qualify to dive deeper then you can talk to your instructor about our [Advanced Open Water course](#).

Thanks again for booking your course with us and we look forward seeing you soon and starting your underwater adventure.

**See you soon,
The Team at Oyster Diving**

St. John's Beaumont School Swimming Pool

Address: Priest Hill, Old Windsor, Berkshire SL4 2JN

Directions: The school has close proximity to the M3, M4, M25 and M40 motorways, and is only six miles from London Heathrow Airport. The nearest train station is Egham which has a frequent service to Waterloo (approximately 40 minutes).

By Car: St John's is on Priest Hill (A328) just off the A308 two miles from the M25 (J13) and seven miles from the M4 (J6). The school is about 500 yards up the hill on the right.

By Rail: The nearest station is Egham which is on the line to Waterloo via Twickenham, Putney and Clapham Junction. We are 10 minutes by taxi from Egham station.

Map – [click here](#)

About St. Johns: St John's, the oldest purpose built preparatory school in the country and founded in 1888, combines a rich tradition of education with the very best that modern teaching techniques and technology can offer. It was designed by John Francis Bentley, one of the most famous architects of his day and the architect of Westminster Cathedral in London. Boys leave St John's aged 13 and proceed to some of the country's finest schools.

Parking: There is plenty of free parking by the tennis courts on the right hand side before you reach the barrier.

The Pool: Situated at the top of the hill in front of the school in a modern building. There are changing rooms for men and women. The pool itself is 25m long, has a maximum depth of 2m and is heated to 30 degrees.
