

**Dear Diver,**

Many thanks for signing up for your PADI ReActivate course with us.

**The course will take you through the key skills to get you comfortable and safe in the water.**

Your instructor will meet you outside of the [Marshall Street Leisure Centre](#) at 18.45 and the course should finish around 21.45.

Please could you complete the [PADI Liability Form](#), the [COVID-19 Declaration Form](#), and the [PADI Medical form](#) and bring them with you on the day. **PLEASE NOTE** that if you answer 'yes' to any of the questions on the medical statement then we would need a note from your doctor saying that you are okay to dive.

Within one working day of signing up to your course you will receive an e-mail FROM PADI with your online learning. You will need to register an account and it works on tablets

Want to go even deeper?

If you'd like to explore even deeper then why not join one of our [Advanced open water](#) courses?

as well as PC's and Macs. Please bring a copy of the certificate of completion with you to the pool. If you can't see the e-mail from PADI within 48 hours, please check your spam folder and then give us a call on 0800 699 0243 or e-mail [info@oysterdiving.com](mailto:info@oysterdiving.com).

Please also remember to bring your PADI certification card (you can order a replacement from [www.padi.com](http://www.padi.com)), your eLearning certificate, log book, swimwear and a towel. It is also worth bringing a bottle of water as diving can make you feel thirsty. Please also bring a small padlock, or you can purchase one at the reception (£3-5)

Please ensure to maintain social distance wherever possible, and to bring a mask for when it is not possible.

Depending on how rusty you are your instructor may suggest that you come back for a 2<sup>nd</sup> pool session (at no extra charge).

Thanks again and we look forward to continuing your underwater adventures.

**See you soon,**

**The Team at Oyster Diving**
