

PADI DEEP DIVER

Qualify to Dive to 40m

Dear Diver,

Many thanks for signing up to your PADI Specialty Deep Diver course with us.

You should receive your PADI eLearning code through to your email in the next 72 hours. For the start of the open water dives can you please complete the eLearning, and bring a printout of your eLearning record?

Could you also complete the [Medical Statement](#), [Liability Forms](#), and bring them with you with your open water certification card, note that if you answer 'yes' to any of the questions on the medical statement then we would need a COPY of a note from your doctor saying that you are okay to dive (please keep the original).

The dives will be conducted at the Vobster Quay (see directions below) where your Instructor will meet you at 9am. Depending on the number of people on the course we aim to be finished by 3pm. Please bring along some money for your entry fee (£23), your log book, swimwear, some warm clothing and money for any extra air you use (£5/tank) and food & beverages.

We will e-mail you a few days before your course with the name and a contact number of your instructor.
