

Dear Diver,

Many thanks for signing up for your PADI ReActivate course with us.

The course will take you through the key skills to get you comfortable and safe in the water.

Your instructor will meet outside the pool building at York House school at the time found at the top of the booking confirmation that you received by e-mail at the time of booking. You can find the address and details of the pool below.

Please could you complete the [PADI Liability Form](#), the [COVID-19 Declaration Form](#), and the [PADI Medical form](#) and bring them with you on the day. **PLEASE NOTE** that if you answer 'yes' to any of the questions on the medical statement then we would need a note from your doctor saying that you are okay to dive.

Want to go even deeper?

If you'd like to explore even deeper then why not join one of our [Advanced open water](#) courses?

Within one working day of signing up to your course you will receive an e-mail FROM PADI with your online learning. If you haven't done so previously, you will need to register an account and it works on tablets as well as PC's and Macs. Please bring a copy of the e-learning certificate of completion with you to the pool. If you can't see the e-mail with your e-learning from PADI within 48 hours, please check your spam folder and then give us a call on 0800 699 0243 or e-mail info@oysterdiving.com.

Please also remember to bring your PADI certification card (you can order a replacement from www.padi.com), your eLearning certificate, log book, swimwear and a towel. It is also worth bringing a bottle of water as diving can make you feel thirsty. Please also bring a small padlock, or you can purchase one at the reception (£3-5)

Thanks again and we look forward to continuing your underwater adventures.

See you soon,

The Team at Oyster Diving
