

PADI REACTIVATE COURSE DETAILS AND ADDRESS

Many thanks for signing up to your PADI ReActivate refresher course with us, we greatly appreciate it! Please read the information below carefully.

On the PADI E-learning page under "Forms & Applications" Please complete the **PADI Liability forms, Statement of Safe Diving Practices and PADI Medical Forms** and bring them with you on the day either digitally or printed.

Please note that if you answer 'yes' to questions 3, 5 or 10, or any of the questions on page 2 of the medical statement, you are required to get page 3 completed by a medical professional. **If you answer 'yes' and do not have a note from a medical professional, your instructor is not allowed to let you dive.**

Theory

You will receive your PADI e-learning, by e-mail directly from PADI within two working days of signing up to your course (please check your Junk Mail if you haven't received it before contacting us). Once received you can register it using your e-mail address, but if you already have a PADI account you should see it linked to that. Each individual diver must have an individual account.

Please make sure to upload a photo of yourself at registration if one doesn't appear, this is required by PADI to process for your certification.

Please complete all sections before the pool session.

Please bring a digital or printed copy of your "eRecord" and forms to the pool session and hand it to your instructor. If you have any technical difficulties then PADI customer services will be glad to assist, you can call them on 0117 300 7234.

Pool dives

Address: Prince Regent Swimming Complex, Church St, Brighton BN1 1YA

Timings:

12:00 to 12:30 – Arrival and change. Please come directly to the poolside.

12:30 to 13:00 – Pool side briefing and equipment set up.

13:00 to 15:00 – In-water training

15:00 to 15:30 – Log book completion with the instructor

Please note that the parking at the Prince Regent only allows for a maximum of 2 hours. If you are driving we recommend you park at the nearby NCP car park.

Please refer to our [terms and conditions](#) if you need to change your booking.

As well as the key theoretical elements being covered online, the practical part covers things like how to set up your equipment correctly and check it, mask clearing, buoyancy control and air monitoring / out-of-air procedures.

What to bring to the pool – PADI forms (printed or Digital), e-learning scores, swimwear, towel, and any diving equipment you may own (we will have everything there anyway so don't worry if you don't).

It's also a good idea to bring a bottle of water as diving can make you thirsty. If you wear contact lenses these can be worn inside your mask but just keep your eyes closed when doing the mask skills! You can order a mask with prescription lenses at an additional cost, please just get in touch if you would like further details.

If you haven't done so already, we do recommend purchasing a mask, snorkel, boots, and fins. These are available through our [dive shop](#) and can be delivered to your address or the pool.

If you own any of your own equipment such as mask, snorkel and fins, please feel free to bring it along. If you don't have any of your own gear then we will provide everything for you. From our experience rental masks around the world tend to be poor quality and leak, so we would always recommend having your own mask including ones with prescription lenses, and if you are thinking of doing several dives on holiday then possibly even a [dive computer](#) to keep you safe. You can [visit our online store](#) for details and they can be bought to your pool session for you to use on the day.

We receive many questions about "Should I own my own equipment" so to make it easy we have written a [short blog to help you](#).

If you are interested in hearing about any trips we are running, or special offers please like our [Facebook page](#) or [Instagram Page](#).

Thanks again for booking your course with us and we look forward to seeing you soon and carrying on your underwater adventure.
