

EMERGENCY OXYGEN PROVIDER

Many thanks for signing up to Emergency Oxygen Provider course with us. We hope that you never have to use the skills that you will learn on the course, but it might just help you save someone's life one day.

The course will cover details such as assembling and disassembling emergency oxygen equipment, deploying a no-rebreather mask and a demand inhalator valve on a breathing diver, using a pocket mask on a nonbreathing diver, and more.

You should receive your Emergency oxygen provider manual in the post in a few days' time. Please read through the manual and answer all of the questions.

What to bring

Some warm clothes as we often run the course outside as would be done in a real emergency and the completed e-learning summary. There is no pool or open water work involved, so please be sure to dress appropriately for the location you are taking the course.

Location

Mercers Lake (unless otherwise stated on your booking confirmation or agree in advance with the office
Mercers Country Park,
Nutfield Marsh Road,
Merstham, Redhill, Surrey,
RH1 4EU

We will meet you there at 9.30am and you should be finished around 11am.

Once you have completed the practical assessment and online training we will process your Emergency Oxygen Provider certification. As soon as it is processed, you will be able to see your certification on your PADI app. Please ensure you have a photo loaded on your PADI app otherwise we cannot process your certification and will cause delays.

Thanks again for signing up to your Emergency oxygen provider course with us and we hope you find it fun, interesting and informative.
