

# JUMP IN TO A NEW ADVENTURE WITH YOUR DISCOVER SCUBA EXPERIENCE

**Dear Diver,**

Thank you for booking your Seal Team experience with us.

The course is ideal for experiencing the joys of scuba diving in the safety and warmth of a swimming pool. It's designed for children who want to experience a new adventure and check out what it feels like to breath underwater. Many of our students go on to complete the [Junior PADI Open Water certification course](#) when they reach 10 years old.

The course will teach you some of the basic principles and skills of scuba, the most important safety rules and how the equipment works. You will get to feel what it's like to breathe underwater and be weightless, just like an astronaut.
