About St. Johns: St John's, the oldest purpose built preparatory school in the country and founded in 1888, combines a rich tradition of education with the very best that modern teaching techniques and technology can offer. It was designed by John Francis Bentley, one of the most famous architects of his day and the architect of Westminster Cathedral in London. Boys leave St John's aged 13 and proceed to some of the country's finest schools.

Parking: There is plenty of free parking by the tennis courts on the right hand side before you reach the barrier.

The Pool: Situated at the top of the hill in front of the school in a modern building. There are changing rooms for men and women. The pool itself is 25m long, has a maximum depth of 2m and is heated to 30 degrees.
