

PADI DISCOVER SCUBA

Try it in the Pool

Dear Diver,

Thank you for booking your Discover Scuba experience with us.

The course is ideal for experiencing the joys of scuba diving in the safety and warmth of a swimming pool. It's designed for people who either want to try a new adventure or if they're not sure if they want to commit to the [PADI Open Water certification course](#).

The experience will teach you some of the basic principles of scuba, the most important safety rules and how the equipment works. You will get to feel what it's like to breathe underwater and be weightless, just like an astronaut. After spending some time in the shallow end getting comfortable and familiar with the equipment and the strange sensation we drop the pool depth to approx. 2m where you get to have a swim around underwater.

Your instructor will meet you at the house at 09.30 and the course should finish around 11.00.

Address: 1 Courtyard Lane, Off New Church Lane, Hove, BN3 4BP.
