

Dear Freediver,

## PART B

Many thanks for signing up for your PADI Freediving course with us. You are now one step closer to join an exclusive group of people who can explore the underwater world while extending their breath holding techniques. You learn basic freediving principles and focus on practicing breath-hold techniques in the heated pool.

**This is the final portion of the course. To get here, you are REQUIRED to have completed your Theory eLearning and your Pool dives.**

### 3. Part B – Open Water Dives

Since you have booked the full course with us then you will receive a second booking confirmation by e-mail that will have a separate course details for the open water dives.

Your Open Water Dives will take place over 1 day at [Mercers Lake](#), our Oyster Exclusive Dive lake, run by Aqua Sports. Please be sure to bring your swim suit, towel, £15 for your lake entry fee (can be paid by cash or card), as well as some food and water.

If you have completed your theory and pool dives elsewhere, please bring along your referral form from your other dive centre, as well as your [PADI Freediving Liability Release](#), [PADI Freediving Safe Diving Statement](#), and [PADI Medical Form](#). Please note that if you answer 'yes' to any of the questions on the medical statement then we would need a note from your doctor saying that you are fit to dive. If you answer 'yes' and do not have a note from your GP then your instructor is not allowed to let you dive. A rebooking fee may be applied if you fail to bring the correct paperwork.
